Versuchsanstalt für Stahl, Holz und Steine-Universität (TH)-Kaiserstr. 12-76128 Karlsruhe Postfach 6980-Telefax 0721/608-3648

## Certificate

about the constructor's qualification for welding steel structures according to DIN 18800-7:2002-09

## Class E

It is hereby certified that the firm

mageba ges. m.b.h.

in the plant

AT-6972 Fussach, Seglerweg 1

is qualified to carry out welding works in accordance with

DIN-Standards/Regulations

DIN 18 800 part 7, DIN FB 103, DIN FB 104, Z-30.3-6

Welding Processes

(reference number according to DIN EN ISO 4063)

(111) manual metal arc welding

(135) metal active gas welding

(783) drawn arc stud welding with ceramic ferrule or shielding gas

Base Materials

S235 to S355 according to Bauregelliste and Anpassungsrichtlinie Stahlbau  
stainless steels according to Z-30.3-6

Restrictions/Extensions

none

Welding Supervisor

Schuster, Andreas, 12.01.1979, IWE

Deputy

Remarks

Dabernig, Manfred, 05.03.1968, EWS  
is nominated for supporting the welding supervisor.

Validity

03rd March 2009 until 3rd March 2012

Verification Certificate No.

3388/1 092049 mv/em

Issued on

13th March 2009

General requirements

p.t.o.

Head of Notified Body

(Dipl.-Ing. M. Volz)

## General requirements

1. Before carrying out welding works this certificate - either as certified copy or photo copy - should be submitted to the competent authorities issuing the building permit.
2. For advertising or other purposes, this certificate may only be duplicated or published in full. The wording of the advertising material must not be in contradiction to this certificate.
3. If the welding supervisor(s) mentioned in this certificate are no longer with the company, if there are changes in the welding process or in essential parts of the facilities necessary for the welding works, the inspecting authority has to be informed. If considered necessary, a new inspection of the company will take place.
4. In case of doubt regarding the verification of the company, an inspection and checkups in the plant by the inspecting authority without prior announcement is being reserved.
5. This certificate may at any time and with immediate effect be withdrawn - without compensation - supplement or modified if the conditions under which this certificate has been issued have changes or if the requirements laid down in this certificate have not been adhered to.
6. At least two months before expiry, a new application has to be submitted to the inspecting authority if the qualification should be certified once more

Remarks:

The prerequisites for issuing this certificate have been checked in cooperation with the Swiss Association for welding technology (SVS) in Basle.
