Notified Testing Supervising and Certification Body 0672-BPR-001

EC-CERTIFICATE OF CONFORMITY 0672 – BPR – 050.7

In compliance with Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of legal and administrative provisions of the Member States relating to construction products (Construction Products Directive - CPD), amended by Directive 93/68/EEC of the Council of European Communities of 22 July 1993, implemented in Germany by the Bauproduktengesetz (BauPG), last amended by article 8a of the law of 6 January 2004, it is confirmed that the construction product

mageba-Spherical Bearing

with hard chromium plated spherical cap, horizontal sliding part and external guides in case of unidirectional movable bearings, types 3.1, 3.3 und 3.5 in accordance with EN 1337-1, for minimum operation temperature of -35 °C, for use in building and civil engineering works where requirements on individual bearings are critical,

placed on the market by

mageba sa

Solistrasse 68, CH-8180 Bülach, Switzerland

and produced in the factory

FACTORY B

is subjected by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body - MPA Universität Stuttgart - has performed the initial type-testing of the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

hEN 1337-7:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was issued on 11 April 2007 and remains valid as long as the relevant conditions described in the harmonised technical specification or the manufacturing conditions in the factory or the factory production controls are not modified significantly.

In Germany this Certificate of Conformity is only valid, if the corresponding standard has been published in the Bundesanzeiger (Federal Bulletin).

Stuttgart, 11 April 2007

Dr.-Eng. J. Wiedemeyer
Head of Certification Body

In compliance with DIN/IEC 17025 accredited Testing Lab Accreditation Body recognized by DAP. Accreditation valid for testing methods (DAR-Reg.-Nr DAP-PL2907.99) listed in the certificates. Additional Accreditation granted in compliance with DIN EN ISO/IEC 17025 granted by DKD/PTB, KBA, ZLS and certification on the basis of DIN EN ISO 9001:2000 by the TÜV RÜZ body approved by DIBt, body notified to EU 0672 and 1080.
